Discover the adventure of a lifetime at Kubu Safari Lodge, located just outside the scenic town of Hoedspruit, is a haven for nature enthusiasts seeking a relaxing getaway. With 48 generously appointed rooms, including standard, luxury, deluxe and family accommodations, the lodge has the beautiful Klaserie River running through which brings about general game including zebra, wildebeest and impala to name a few.

The lodge offers various inviting indoor and outdoor facilities including a charming boma, a private deck and pool. One of the highlights is a private guided game drive through the renowned Kruger National Park.
