Kadizora Camp
Okavango Delta - Botswana

The Okavango Delta represents one of the last truly unspoilt wilderness areas in Africa, and remains one of nature's marvels, characterised by the gentle flooding of endless plains. The northern areas of the delta feature larger expanses of savannahs punctuated by lagoons and tributaries, and it is on the banks of one of these that a magnificent site has been selected for Kadizora Camp.

Beneath a majestic stand of trees and along a peninsula, commanding uninterrupted panoramic vistas of the delta, the camp has been set out to afford each of the Standard and Luxury Tents absolute privacy.
