Saguni Safari Lodge
Moremi East - Botswana

Saguni Safari Lodge is situated in Moremi East in the Okavango Delta. It is nestled in an island of mature riparian trees, typical of the Okavango Delta. The Lodge overlooks the Sable River in the beautiful game-rich area of Khwai. The name 'Saguni' is a bushman name for Khwai, meaning "an area with abundance of game and spectacular sights".

Besides the game drives, which can feature Africa's big attractions – lion, cheetah, leopard, wild dog, elephant, buffalo, hippo and giraffe, cultural visits and mokoro excursions are also available at Saguni.

Saguni Safari Lodge offers the ultimate Okavango Delta experience, with a wide range of activities, a beautiful location, diverse wildlife and warm, local hospitality
