CHOBE MARINA LODGE

Situated on the banks of the Chobe River within the town and local community of Kasane, the lodge is a mere five-minute drive from Kasane International Airport and right at the gateway of the famous Chobe National Park.

Chobe Marina Lodge gives you an authentic African experience. This exquisite property is positioned to cater for the adventurous traveller or the more discerning guest and with its diverse accommodation offering is able to welcome leisure travellers and groups alike.

Whether it's a game drive into the Chobe National Park, a sunset cruise, wellness treatment, fishing, or simply relaxing by the pool, guests will enjoy the hospitality, cuisine and setting that Chobe Marina Lodge has to offer.
